Modern Day Atheists

The fool has said in his heart, "There is no God!"

Definition of a fool:

*Somebody considered to lack good sense or judgment.

*Somebody considered to be or made to appear ridiculous.

*Unintelligent or not sensible.

To deny God's existence is to deny one's own existence! One has only to look at the evidence of God's Creation. Read Romans 1:18-23 NLT

But God shows his anger from heaven against all sinful, wicked people who push the truth away from themselves. (Or to prevent the truth from being known-footnote, NLT) For the truth about God is known to them instinctively. God has put this knowledge in their hearts. From the time the world was created, people have seen the earth and sky and all that God made. They can clearly see his invisible qualities—his eternal power and divine nature. So they have no excuse whatsoever for not knowing God.

How can anyone viewing a sonogram of a baby in the womb of its mother, deny that we are "fearfully and wonderfully made?" The miracle of a baby's birth is a proof of God's handiwork. Read Psalm 104 that tells of all God's Creation, as penned by the Psalmist.

A Creation is proof of a Creator. When you see a brand new car in the showroom, do you turn to the car salesman and say, "how wonderful, this car has evolved, and assembled itself!" The salesman would think to himself, "I am speaking with an utter fool!"

I rest my case!
