Word of the Lord to Ministers* 8-16-2007

By Denise Bostic

**As I sought the Lord over my concern for ministries that lack the presence and power of the Spirit, He gave me this word in response.*

“Many have started out with My anointing and in the process of time, many have bowed down to the will of man - doing their works and agendas, instead of Mine, says the Lord. There are those who have begun in the Spirit, but have crossed over to fleshly works. Because of this, many do not have the anointing and power to minister to others by My Spirit. Tell them that there needs to be a returning to Me, says the Lord, a returning to Me and being led by My Spirit in order to be effective ministers of the Spirit. Many have turned towards worldly tactics that are contrary to My Spirit. Again I say, return unto Me, be obedient to My voice, and obey Me rather than the dictates of men. Do not let others rob and strip you of the anointing that I have placed upon you. Each one will be held accountable on that Great Day when they stand before Me. Be servants of Christ and not of men, be good stewards over all that I have given you. What you began with came from Me- what you finish with needs to be of Me as well. Many are frustrated because they are trying to please men instead of walking in the Spirit. Remember the words of the Apostles, “We must obey God rather than men.”
