Riches

Recently I watched an old movie starring Gary Cooper in "Cinderella Man." The story began in a small town with Gary as a tuba player and depicted the lack of sophistication and simple small town life that he embraced. In contrast, big city people in the corporate world found that Gary was heir to \$20,000,000. by a rich relative.

When they broke the news to "Cinderella Man", he just kept on playing his tuba and ignored the news as though he could care less. After all, he was content with his life as it was and didn't want to be disturbed!

As I watched I thought how like we, in the body of Christ act in a similar way. Our Lord tells us that we are joint heirs with Jesus Christ and that we are to inherit all things! All things including being a king and priest, sharing his glory forever and ever. How do we react to this? We are as Gary Cooper, busy with our everyday life, unconcerned about the greatest inheritance that ever hit the planet! How we are impressed when someone wins multiple millions in playing "Power Ball"! "Wow", we think, "what I could do with all that money!" We don't even consider that our heavenly Daddy holds all the wealth in the Universe, and we get to share in that wealth!

Let's wake up brothers and sisters to reality! We are royalty, and are now being trained and tutored by the blessed Holy Spirit to be prepared for our offices in eternity! Thank you Father and the Son, and the Holy Spirit for your marvelous plan!
