Two Ingredients for Daily Living

There are many things in the natural world that are perplexing to the human spirit. Questions continually are asked: why Lord why? This is a question that comes before my throne, day after day! I, as your heavenly Father am working out a plan for each child of mine that far transcends all that they can imagine. If I were to tell them that plan in its entirety they would not be able to comprehend the magnitude of all that is entailed. And so I am forced to distribute that plan slowly, on a daily basis. You think you are going at a snails pace, and do not realize the significance of each step, as I, the Master Planner am able to see in your life. That is the reason I counsel you to walk by faith and not by sight.

Faith is a necessary component in the life of every Christian. You cannot always see my hand in your affairs, so trust also is necessary.

Trust:

Hopeful reliance on what will happen in the future; to rely on somebody or something.

Then as your faith and trust in me is exercised on a daily basis, you are strengthened in the inner man. These are two essential ingredients to propel you forward!

Take heart my little children, you are in the palm of my hand and your entire journey is on my map, and you are right on time!

Amen and amen
